

Christian Youth in Action

Train. Teach. Transform.

Train

You will attend a week of training where you will learn to present the Gospel clearly on a child's level, counsel a child for salvation and lead a dynamic club ministry for kids. Components of this club include teaching a Bible lesson, a real-life missionary story and a Bible verse as well as leading songs, games and a fun review time. You'll be part of a team so you don't have to carry the full load. Child Evangelism Fellowship provides the teaching material, training, and the opportunity to serve.

Teach

After this training, you will return to your local community and teach clubs at various locations with a team of other teens. These clubs can be anywhere: daycare, home, park, treehouse, and anywhere children gather. Kids love coming to these 5-Day Clubs! The parachutes, music, Bible lesson, candy, and review games are a hit with children and parents alike.

- Grow in communication, teamwork, endurance, responsibility, and self-confidence

- Be forever changed!
