

## Go and Tell! Walkathon 2026

We know children today need hope and a purpose!  
A Good News Club® in their school gives children the  
chance to hear about the living hope that Jesus offers.

### PLEDGE COMMITMENT

I will be walking in the **Go and Tell! Walkathon** to bring the gospel message to children through an after-school Good News Club® (GNC). There are children who might otherwise never hear that God loves them and offers new life to all who trust Him.

The proceeds will be used by Child Evangelism Fellowship® (CEF) of Peninsula to partner with local churches and start 10 new Good News Clubs here on the VA Peninsula in 2026-2027! CEF trains, equips, and supports each team.

Will you join me in giving the gospel to children by pledging to donate for each mile I walk?
